---

# welcome

---

The Center for the Arts is the premier visual and performing arts venue on the Western Slope. Its iconic modern architecture, 31,000 square feet of multi-use spaces, and prime location in downtown Crested Butte make the Center an ideal location for all kinds of events, from classes and meetings to retreats, conferences, performances, celebrations, and more.

The Center is LEED-certified and features an efficient HVAC system to keep rooms at the perfect temperature. High-tech A/V systems are built into nearly every space in the building, and the Steddy Theater is acoustically tuned for any type of music or performance. And the building is fully ADA accessible, with an elevator that accesses all three floors.

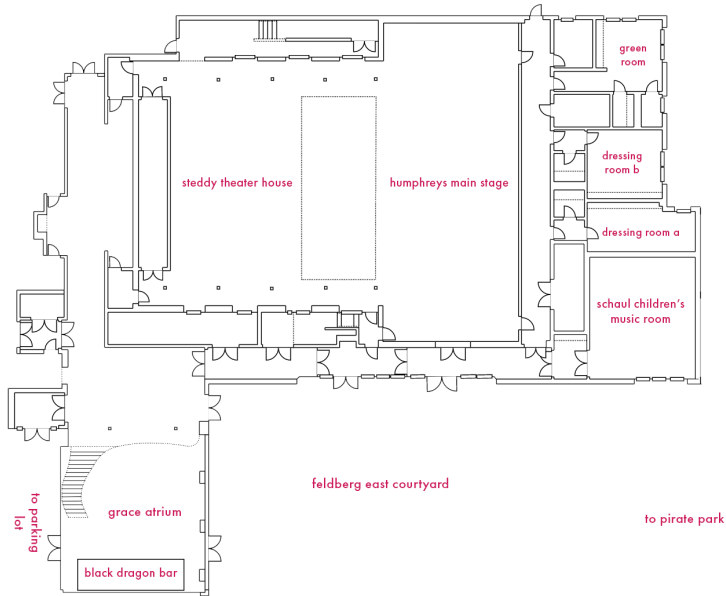

No matter whether your event is large or small, our team of event planners is here to help you make your vision a reality! Contact us at [info@crestedbuttearts.org](mailto:info@crestedbuttearts.org) to get started.

# bar information

## policies

Per state and county regulations, service and consumption of alcoholic beverages at the Center is only permitted through the Center's on-premise liquor license.

The Center offers multiple, fully customizable options for alcohol service for rental events, including a cash bar option, a hosted bar, and all-inclusive, price-per-head packages.

For hosted or partially hosted bars, a service fee of 20% and Town of Crested Butte sales tax of 9.4% will be added to your final invoice.

Bar minimums are required for all bar options, with a \$150 sales minimum per hour required for all hours of bar service. Groups of 50 or fewer will be subject to a decreased minimum of \$325 in sales for four hours.

## pricing options

### cash bar

Attendees or guests purchase drinks individually.

### hosted bar

The host pays for guest beverages.

### per-head pricing

The Center's per-head, all-inclusive bar pricing does not require a bar minimum. Alcohol pricing will apply to all attendees over 21 years of age, regardless of consumption.

### partially hosted bar

- Some groups may wish to offer a **partially hosted** bar, limiting the amount that the host pays for guest beverages to either a maximum dollar amount or an allotted amount of time. The bar can transition to a cash bar for the remainder of the event, or close.
- Or, groups may offer a partially hosted bar via **drink tickets**, where guests are given a certain number of tickets redeemable for hosted beverages, and any additional beverages are available for purchase.
- Groups may also offer guests a **limited menu** of hosted beverages (eg beer and wine hosted, cocktails available for purchase).

## ordering

Your menu choices are due no later than 4 weeks before your event. For hosted bars, a deposit of 50% of the anticipated total invoice is due at the same time.

Groups may request items that are not on the menu and the Center will do our best to source your requests. If the item is not something the Center usually serves, you will be responsible for purchasing the *full case or keg* at per bottle/per keg retail cost. Per state and local liquor laws, alcoholic beverages may not be removed from the Center and all unconsumed special order alcohol must remain at the Center following your event.

# coronavirus policies

The Center is currently open for events during the coronavirus pandemic and operating at a reduced level, in compliance with Gunnison County and Colorado state public health orders and mandates on gathering restrictions. We are in close communication with County Public Health Officials to determine any changes that need to be made to our pandemic operating plan.

The Center's HVAC system is extremely efficient and brings in outside air and circulates it frequently through rooms in our building; we also have multiple outdoor spaces available to rent for larger, socially distanced gatherings. We have strict sanitization and safety policies in place, including:

- A county-approved division of our 31,000 square foot, three-story building into "zones" to allow multiple small events to occur simultaneously, ensuring that groups will never cross paths.
- Mandatory mask-wearing is enforced when in the Center building, except while stationary and actively eating and drinking, or except in fitness classes after students have arrived in their distanced "spot."
- Strict and frequent sanitization of frequently touched surfaces before, during, and after events.
- Social distancing enforced ("pods" of those in the same household may gather closely)

We are accepting bookings through 2022. A 50% deposit of your rental fee is required to reserve your date. For the duration of the pandemic going forward, the Center is operating under the following covid cancellation policy: If at least thirty (30) days prior to the event, the renter decides, in their reasonable judgment, that going forward with the event is substantially impractical and/or impossible due to the ongoing COVID-19 pandemic, the renter may the event upon notice to the Center. Upon such cancellation, the Center will refund your initial deposit.

Please inquire for the most up-to-date gathering numbers and other restrictions. Our staff is happy to help you plan a safe event!
