

The Center for the Arts | Patron Parking

Due to limited parking in the area we encourage attendees to walk, bike, or ride public transit to the Center.

Handicapped parking and reserved parking for those with limited mobility is available at the Center's small parking lot via Sixth Street just east of the concrete retaining wall and marquee sign.

Please be advised that strict adherence to our parking rules is mandatory. Failure to observe these regulations may result in the issuance of parking tickets. Your cooperation is greatly appreciated.
