Position Overview

The Events Manager plays a pivotal role in the Programming and Operations teams at the Center for the Arts. This position is responsible for orchestrating a wide range of events as assigned, from private rentals to Center-produced events and collaborations with other organizations. Reporting to the Program Director, the Events Manager ensures that each event for which they are responsible is executed flawlessly, delivering a seamless and memorable experience for both clients and guests.

Key Responsibilities

Event Planning & Logistics

- Collaborate closely with the Sales Manager to ensure the client has a seamless transition from the booking and contracting phase to the event planning phase.
- Lead the planning, coordination, and execution of assigned events, serving as the primary point of contact for clients, vendors, and internal teams. Coordinate all logistical elements, including A/V, food/beverage service, vendor management, facility preparedness, and post-event closeout.
- Create Banquet Event Orders (BEOs) for assigned events, ensuring every detail is captured and communicated using approved Programming Team templates. This may include separate BEOs for client communication and staff distribution.
- When not serving as Event Captain for an assigned event, complete a clear and comprehensive BEO hand-off to the Event Captain.

- Train clients and partners on building access, event setup and breakdown procedures, and use of Center facilities as needed.
- As requested by the Program Director, collaborate closely with other members of the Programming team to contribute to the visioning, planning, and execution of Center-produced events.

Private, Corporate, & Community Events

- Direct high-end event production for a diverse portfolio, ranging from large-scale community events to intimate private celebrations, including weddings, rehearsal dinners, and galas.
- Act as the primary point of contact for clients and vendors, meticulously managing equipment procurement, luxury catering logistics, and onsite venue operations.
- Design bespoke event layouts and master timelines to ensure seamless execution and a premium guest experience from arrival to departure.
- Standardize planning workflows and lead comprehensive post-event evaluations to ensure continuous improvement and client satisfaction.

Event Captain

- Act as Event Captain as assigned. Report to the Operations Manager when serving as Captain for events planned by a different team member.
- Lead staff and manage event flow and operations on the ground, including setup and troubleshooting, to ensure an exceptional guest and client experience.

Administrative Duties & Process Improvement

- Provide the Sales Manager with accurate information and post-event reporting to support the creation of invoices for deposits, rental fees, bar fees, and other charges; coordinate with the Accounting Department as needed to ensure timely and accurate payment processing.
- Collaborate with the Operations and Programming Teams to continuously improve event efficiency, optimize future events, and ensure high levels of client and guest satisfaction.
- Recommend improvements and streamlining measures for the Center's rental and event policies, pricing, and procedures to the Program Director.
- Perform other duties as assigned.

Please note this job description is not designed to cover or contain a comprehensive listing of activities. The Center for the Arts is a collaborative organization that relies on teamwork to do great things.

Qualifications:

This position requires someone who thrives in a dynamic, fast-paced environment and is dedicated to creating unforgettable experiences for event attendees while maintaining the Center's high standards of excellence.

- Strong organizational skills with exceptional attention to detail and the ability to manage multiple events and logistics at once, ensuring prompt and professional communication to internal and external contacts.
- Excellent customer service skills with a passion for delivering a high-quality guest experience.
- Creative thinker with a solutions-oriented approach to challenges that may arise during the planning or execution of events.
- Ability to lead teams with a calm, professional demeanor while managing high-pressure situations.
- Experience working in event management, hospitality, or a similar field, with a deep understanding of the intricacies of both small and large-scale events.
- Proven ability to work collaboratively with internal teams, clients, and vendors to ensure the successful execution of events.
- Ability to work with Google Drive and other event management software.
- Can lift over 40 pounds.
